## ***Summer billing & workshop attendance policy 2015***

Thank you for choosing Little Owl Enrichment for the promotion of your child's literacy, analytical thinking and social growth. Our summer programs run from June 29th through July 24th, as well as August 24th through September 4th. However, enrollment is limited to no more than seven students per workshop. As a result of this small student/teacher ratio, many of our workshops are filled and therefore, closed to other students who wish to attend a particular day and time. While we offer our workshops on a first come first serve basis, existing members are offered priority registration in our workshops.

As a result, we require advance payment for our summer programs. Payment is due in full at the time of registration. Please note that a \$25/family registration fee is due upon enrollment as well.

Please provide 24-hour notice for any absences due to your child's illness or extenuating circumstances. While we understand that children can get sick suddenly and are unable to attend a workshop, we ask that you notify us *prior* to the session that your child will be missing. Due to the timing of the summer program, make-ups are limited and must be scheduled as soon as possible. We cannot guarantee make-up availability due to our small class sizes.

***\*\*Absences for children being picked up by Little Owl at the Cranbury School MUST BE REPORTED as soon as possible.*** We are responsible for your child's pick up and need to know if the child is at school/rec camp. We will not leave the Cranbury School or Village Park if not all children are accounted for. Please note, children enrolled in our After Camp Program on a daily basis unfortunately do not have room for make-ups.

In the event any of our services are cancelled due to a Little Owl cancellation (i.e. weather related, unforeseeable circumstances, etc.), a make-up workshop will be offered at your convenience within thirty (30) days during another workshop time for the same or comparable age group. Missed sessions will not be carried over to the next billing cycle or applied towards the typical school year program tuition. Missed classes without notification are considered "no shows". All "no shows" will be considered a forfeiture of the missed session.

If you have any questions related to this billing and workshop make-up policy, please do not hesitate to contact us to discuss. Thank you.

***I have read the Little Owl Enrichment billing and attendance policy and fully understand the policy for payments, and cancelled/missed classes.***
